Commissioner for Patents

The proposed amendment filed on 12/16/2008 to rectify 112(2) issues has been considered and will be entered. However, it is noted that the copy of the submitted claims in section VIII is defective because the first line of claim 19 is not clear (it currently reads "The computer*p936Xprogfamlain 13 wherein said computer"). A clean copy of the claims is required.
